Issued patents

Applications

System and method for automated collection and analysis of regularly ...

US Pat. 6270457 - Filed Dec 31, 1999 - Cardiac Intelligence Corp.

The comparison module 62 receives as inputs from the **database** 17 two **input** sets functionally defined as peer collected measures sets 60 and sibling ...

System and method for proactively monitoring risk exposure

US Pat. 5991743 - Filed Jun 30, 1997 - General Electric Company

More specifically, the risk analytics router 36 routes the risk **information** in the **input** knowledge source 26 to the shared 45 **database** 28, ...

System and method for providing normalized voice feedback from an individual ...

US Pat. 6203495 - Filed Jul 26, 1999 - Cardiac Intelligence Corporation

The **analytic** operations performed by the analysis module 53 are further ... as inputs from the **database** 17 two **input** sets functionally defined as peer ...

System and method for analyzing normalized patient voice feedback an ...

US Pat. 6476737 - Filed May 18, 2001 - Cardiac Intelligence Corporation

The **analytic** operations performed by the analysis module 53 are further ... as inputs from the **database** 17 two **input** sets functionally defined as peer ...

System for analyzing and comparing current and prospective refrigeration ...

US Pat. 6439991 - Filed Jun 6, 2000

... (c) **deriving** the power cost difference to operate the first chiller compared to ... **input** — **database** additional chiller **information** 108 computer **input** ...

Virtual reality generator for displaying abstract information

US Pat. 5073115 - Filed Oct 7, 1997

In the representative embodiment, the CAPRI **analytic** system is used to feed in real-time complex and voluminous financial **information** to the **input** module. ...

SQL-Based automated histogram bin data derivation assist

US Pat. 6438552 - Filed Oct 1, 1999 - NCR Corporation

Analytic Logical Data Model The **Analytic** LDM 200, which is integrated with the relational **database** 116 and the RDBMS 114, provides logical entity and ...

Computer readable storage medium containing code for automated collection ...

US Pat. 6607495 - Filed Sep 6, 2001 - Cardiac Intelligence Corporation

The **analytic** operations performed by the analysis module 53 are ... 62 receives as inputs from the **database** 17 two **input** sets functionally defined as peer ...

Virtual reality generator for use with financial information

US Pat. 5675746 - Filed Sep 30, 1992

Other visual ques can be The **analytic** system that passes data to **input** module ... the financial **information** from this perspective, to see **database** program, ...

System and method for providing patient status feedback via an automated ...

US Pat. 6331160 - Filed Oct 10, 2000 - Cardiac Intelligence Corporation

The **analytic** operations performed by the analysis module 53 are further ... as inputs from the **database** 17 two **input** sets functionally defined as peer ...
